IT is with a mingled feeling of satisfaction and responsibility that we cordially welcome you to our THIRD ANNUAL SALE to be held April 20th, 1937. We appreciate your support and consideration in the past and we want to maintain that relationship by again offering a lot of cattle that is worthy. We think we are offering the present day type of cattle through our Browndale Blood. Browndale Pilot

The Improver

WEBSTER defines the word "Pilot" as one who guides or directs. In this respect the famous bull Browndale Pilot is well named because he has, through his offspring, guided the general quality, character and type of the Shorthorn breed to higher levels during the past decade. The show ring records of his sons and daughters do not alone constitute greatness for a breeding bull. He has made fame, it is true, when his calves are led into top positions against all other competition, but his position as a great breed improver is only made secure after these same prize winners have demonstrated their ability to carry on. Then, indeed, his blood is proven and those breeders who are alert for opportunities to work improvement in their herds may buy it with assurance of accomplishing their aims.

When the calves by Browndale Pilot first appeared in American show rings in 1931, judges everywhere recognized their perfect combination of quality, type and character by according them top recognition. The yearlings and calves in 1932 shows were perfect show ring specimens and again they were rewarded by championships and first prizes in both individual and group classes. Raveni Leader won the International junior championship that year and was purchased to head the noted Edellyn Herd. Raveni Masterpiece, that had been sold to Robinwood Farms, returned to the International in 1934 to win grand championship and the show rings of the past two years have been featured by the championships and first prizes won by grandsons and granddaughters of Browndale Pilot. No living bull has a greater record. Browndale Pilot is still in service and the improvement still continues. Fortunately for prospective buyers, the 1937 sale offering contains more sons and daughters of this famous sire than any previous offering. The most successful live stock husbandmen have attained their positions by taking advantage of the surest opportunities for improvement. The trail blazed by Browndale Pilot is sure. He has lived up to his name!—Hal Longley of The Shorthorn World.

The 1936 International Grand Champion Browndale Sultan

Browndale Sultan—a name that will be in the minds and on the lips of every Shorthorn breeder in North America on the day of this sale! Who will be the fortunate new owner of this great bull? He was the International grand champion bull himself in 1936. His sire was the International grand champion bull in 1934. His sire was the sire of the International grand champion female in 1935. His sire was the sire of the first prize "get of sire" groups at the International shows in 1935 and 1936. Browndale Sultan is the most perfectly formed bull in the country today and he is bred to insure the production of future grand champions. We own the sire of Browndale Sultan and a full brother to his sire. Our herd also contains many of his half sisters. His use is limited in our herd but his first calves are so very promising that we are confident he is destined to be the greatest sire in the land along with his already recognized record of the greatest show bull in the land. Surely great fame and great success will go to his new owner.
